Bible Society presents... Bible Month – July

The Bible really is good for life! It is good, not just for the tough times, but for all of life. When we're lonely, broken or disappointed, the Bible should be there. And when we're joyful, content and at peace, the Bible should also be there. But sometimes, the Bible is not easy to read and understand. In fact, it can be quite a challenge. Bible Society continues to create new resources to help people read and understand the Bible. Their latest resource, is *The Field Guide to the Bible*. Email orders@biblesociety.org.nz or ring 0800 424 253 for more details.
